ANDERSON TOOK ONLY \$1,600. Police Now Looking for Another of Mr. Corbin's Employees.

has enlisted the services of Supt. Byrnes and the police of Brooklyn, Long Striped Flannel Sallor Island City and dersey City, as well as Striped Flannel Sallor of private detectives to, capture Louis F. Anon, a cashler of Austin Corbin's Long Island Express Company, at Long Island City, who is charged with embezzling \$1,600. The Guaranice Company was surety on Anderson's bend to the amount of \$2,500.4He This letter was received by THE EVENING disappeared last Saturday. Later a pack-World to-day: age of small bills, aggregating \$1,600 was also missed. It had been sent by the Chase National Bink, of 15 Nassau street, to the South Side Bank at Bay Shore, L. I., but

the South Side Bank at Bay Shore, L. 1., but hever reached there.

The less of the money was not discovered until last night, when the Bay Shore Bank inquired of the Chase National why the money was not sent.

Anderson, who is thirty years old, sent his wife and family to Sweden two months are and went to be and in a house on Sixth street, Long Island city. His landfiely says he took his trains away about 11 o'clock Saturday night.

Bank of London was anxiously awaited on this Pavers Think the Granite Bosons side. When it became known to-day that the Will Suggest Another Conference, foreign markets were not disturbed in the Although no steps have been taken by least the buils here took courage and bought eitherside towards arranging inother, meeting between representatives of the pavers an Northern Pacino preferred was the prime granite manufacturers for the purpose of

Voyaged 16,000 Miles and Used Her there. Chilian Powder Up in Practice, The cruiser Philadelphia, Admiral Gherardis Harship, is annoted off fompkinsville, S. I., having arrived at this port lest evening, accompanied by the Vesuvius. The Philadelphia left here Nov. 4 for Catil. At Montevideo she received word that the difficulties with that hepother had been sinteably adjusted, much to the disappointment of the younger officers. The ammandies on board was used up in The cruiser travelled more than sixteen thousand mice on this voyage. Everytodr on board is in good health. The Philadelphia will go inled the arry dock as soon as the repairs to the Khicago are completed, and the Vesavius will get new phoumatic valves at the Navy-Yard
